Today's Message:

Barriers to Hearing God

We begin a new series into the world of hearing God. It will encourage us to spend time alone with God to really hear from Him and be transformed by Him. Going on a journey to hear from God means that we have to be prepared for the journey ahead. We will need things along the way, will take detours, will make wrong turns, will need bathroom breaks, and even rest. We will be confronted by different sounds, smells, sights, experiences, and we must discern if it is from God, is it from Satan, or simply from the world around us. Join us on the journey of hearing from God.
